It's not just about knowing the foreign currency market. It's about understanding it.

For national and multinational corporations, governments and investors, the volatility in foreign currency exchange can create potential for both opportunity and risk. Managing both requires an in-depth understanding – the kind Citibank Foreign Exchange (CitiFX) services can provide.

The #1 ranked foreign exchange team

CitiFX has been widely recognized as:

- "Best Bank for Foreign Exchange" by *Corporate Finance*
- "Best Bank for Foreign Exchange" by *Euromoney*
- "Best Foreign Exchange Bank" by *FX Week*
- "World's Best Foreign Exchange Bank" by *Global Finance*

With an extensive network in over 100 countries, dealing in 150 currencies, CitiFX offers seamless 24/7 coverage and execution in spot, as well as forward and options transactions between our global business centers.

Perhaps most important, you'll have access to in-house specialists who can advise you on hedging your foreign exchange exposure, transacting foreign exchange or exploring investment opportunities in currency-linked products. Plus, the knowledge of a worldwide team of international strategists on the global economy and currency markets.

Consider some of CitiFX's most important offerings:

State-of-the-art online trading

Through Chiefdealer, CitiFX's online trading system, you can request quotations, execute transactions, manage your overall account, and much more all with a fast, secure browser-based interface.

Analysis and decision support tools

Proprietary support tools help you analyze the currency markets and make decisions about investments. You'll have user-friendly access to analyses of developing and emerging markets, search tools providing keyword access to publications and much more.

Expert advice on managing risk

The CitiFX Risk Advisory Group provides outstanding currency analytics from the major centers – London, New York and Singapore – to help you measure and manage currency risk at its source.

Broad range of foreign exchange services

Our diversity of offerings let you take advantage of everything from FX Spot, Forwards, Swaps, EFPs, NDFs and OTC Vanilla and exotic options to emerging market currencies and structure products.

World-class research and commentaries

On a daily, weekly and monthly basis, we track fundamental trends, flow analysis and technical developments that impact the currency markets. As a client, you can monitor and analyze price movements, as well as market developments and their implications.

We combine the three pillars of currency analysis:

- Fundamental economic data
- Flow analysis
- Technical analysis

Personal help anytime you need it

The currency you're dealing in may be far away, but foreign exchange help shouldn't be. You'll find a CitiBusiness Relationship Manager there for you anytime – to provide advice, execute trades or simply answer questions.

Global resources for a global economy

Like most investments, foreign currency exchange is filled with choices. And the choice of a bank with the resources to meet your needs is an important one. With CitiFX, you'll have the confidence that comes with a bank with an understanding of not just the opportunities, but your needs as well.

To find out more or schedule an appointment with a Customer Relationship Manager, call 1-877-528-0990.
